All, This came from a Silvertonian, who did not have Martha Rudolph's address and wanted EPA to forward to her. I told him I could get this forwarded to Martha Rudolph, but I also want it to go to the Superfund and Water Quality Program staff who have been involved in the Cement and Animas issues and recent meetings.

Carol/Martin, How would you like me to handle this? Should I forward to Dan Scheppers, Scott Klarich and staff levels and then let you forward to Martha?

Sincerely,  
Sabrina Forrest
